Revised 8/08
*A Student Individualized Plan is an academic requirement that varies by student, such as the 15-unit BAiLS focus, for which coursework requirements are established by the student in consultation with the advisor. If yes, the academic unit listed at the top of this form hereby takes responsibility for providing complete information about each student's individual requirements for the degree audit system.

9. For undergraduate plans, will a milestone** be used to:
   □ a. verify satisfactory completion of a non course requirement.
   □ b. indicate admission to a major.
   X  c. will not be used.

**A Milestone is used to record noncourse requirements, such as the HRM 800-hour work experience requirement or admission to Business Major status. If yes, the academic unit listed at the top of this form hereby takes responsibility for maintaining the milestone and keeping individual student records up to date.

N/A

11. Justification for proposal. Please indicate how past assessments of student learning prompted proposed changes. The lists of art courses that fulfill the BFA degree do not accept Art Appreciation and Introduction to Studio Art as fulfilling the requirements of that degree. To create and maintain consistency between the Studio Art and Art Education programs, we request that this change be made.

12. If this academic plan/subplan will require additional faculty, space, or equipment, how will these requirements be satisfied?
   N/A

13. Will this academic plan/subplan affect other majors, liberal studies course offerings, plans/subplans, curricula, or enrollment at NAU? No.
    If so, attach supporting documentation from the affected departments/units and college dean.

14. Will present library holdings support this academic plan/subplan?
   Yes

For New Plans, leave this column blank.

You may earn either a BA or BS in Interdisciplinary Studies: Biology.

To earn the Interdisciplinary Studies degree, you must complete at least 120 units of coursework, which we describe in the sections that follow:

* at least 35 units of liberal studies requirements. Be aware that you may not use courses with a BIO prefix to satisfy these liberal studies requirements. In addition, you may not use the specific courses in your focus to also satisfy liberal studies requirements.

* at least 57-68 units of major requirements for the B.A. or at least 60-67 units of major requirements for the B.S.

* elective courses, if needed, to reach an overall total of at least 120 units.

Be aware that some courses required for your degree may have prerequisites that you must also take. Check the courses in the appropriate subject. (You may be able to count these prerequisites toward your liberal studies or general elective credit.)

Please note that you must complete NAU's diversity requirements by taking two 3-unit courses, one in U.S. ethnic diversity and one in global Diversity. These courses may be used to meet other requirements within your academic plan if you choose them carefully. Click here for a list of the available diversity courses.

The Interdisciplinary Studies requires that you

Revised 09/07
must take at least 30 units of upper-division courses (those numbered 300 and above).

Additionally, please note that you may be able to use some courses to meet more than one requirement; however, you must still meet the total of at least 120 units to graduate. Contact your advisor for details.

    Data from the Office of the Associate Provost for Academic Administration indicates that the
    MINOR in MICROBIOLOGY has very low utilization (one student, currently).
    Furthermore, elimination of the microbiology minor will have minimal impact on student choice.
    Functionally, the minor may be obtained under the rubric of a BIOLOGY minor, which will be retained.
    The Biology minor is very flexible and the student may choose classes with microbiology content.

12. If this academic plan/subplan will require additional faculty, space, or equipment, how will these

    be satisfied?
    The proposal is for a deletion of a minor.

13. Will this academic plan/subplan affect other majors, liberal studies course offerings, plans/subplans,
    curricula, or enrollment at NAU?
    If so, attach supporting documentation from the affected departments/units and college dean.
    Elimination of the microbiology minor will not significantly affect other majors or plans. The
    microbiology minor currently has only one student. The microbiology minor content can be obtained
    via the biology minor.

14. Will present library holdings support this academic plan/subplan?

- at least 35 units of liberal studies requirements. Be aware that you may not use courses with an ESE prefix to satisfy these liberal studies requirements. Contact your department for information about liberal studies courses that are specific to this major.
- at least 83 units of elementary and special education major requirements.
- elective courses, if needed, to reach an overall total of at least 120 units.

Be aware that some courses required for your degree may have prerequisites that you must also take. Check the courses in the appropriate subject. (You may be able to count these prerequisites toward your liberal studies or general elective credit.)

You can expect to complete this degree in four years unless you have special circumstances (such as transferring from another college or major) that prolong your
Also be aware that you must complete NAU's diversity requirements by taking two 3-unit courses, one in ethnic diversity and one in global awareness. These courses may be used to meet other requirements within your academic plan if you choose them carefully. Click here for a list of the available diversity courses.

Also note that NAU requires that at least 30 units of the courses you take for your degree must be upper-division courses (those numbered 300 and above).

You should also be aware that you must have a grade point average of at least 2.5 in all of your NAU coursework in order to graduate. This requirement applies to all B.S.Ed. majors at NAU.

Finally, please note that you may be able to use some courses to meet more than one requirement; however, you must still meet the total of at least 120 units to graduate. Contact your advisor for details.

Also be aware that, for the B.S.Ed. degree, you must have the following:
- a grade of at least B for the English foundation requirement (ENG 105 or equivalent)
( If you don't receive a 3.0, you may complete an additional writing course, at the 200 level or above, with at least a B, to meet this requirement.)
- a grade of at least C for the mathematics foundation requirement (generally MAT 110, 114, 125, or 155)

Also be aware that you must complete NAU's diversity requirements by taking two 3-unit courses, one in ethnic diversity and one in global awareness. **GENERAL ELECTIVES**

Additional coursework is required, if, after you have met the previously described requirements, you have not yet completed a total of 120 units of credit.

You may take these remaining courses from any academic areas, using these courses to...
• 9 units in one of the following areas of concentration:

**High Incidence:**
- ESE 426 and 450 and 3 units of special education coursework
- Low Incidence:
  - ESE 426, 450 and 454
- Early Childhood Special Education:
  - ESE 416, 436 and 456

**General Electives**
Additional coursework is required, if, after you have met the previously described requirements, you have not yet completed a total of 120 units of credit.

You may take these remaining courses from any academic areas, using these courses to pursue your specific interests and goals. We encourage you to consult with your advisor to select the courses that will be most advantageous to you. (Please note that you may also use prerequisites or transfer credits as electives if they weren't used to meet major, minor, or liberal studies requirements.)

Please note that you may take as an elective POS 220, which satisfies the constitution requirement for Arizona certification, or you may meet the requirement by demonstrating proficiency on a special exam given by NAU's Counseling and Testing Center.

**Standard 7:** The teacher has general academic knowledge as demonstrated by the attainment of a bachelor's degree. The teacher also has specific academic knowledge in his or her subject area or areas sufficient to develop student knowledge and performance to meet Arizona academic standards.

The subject knowledge assessment shall measure the extent to which the teacher has knowledge of:
1. Skills and concepts related to the subject area
   a. At the elementary level, the teacher demonstrates knowledge of language arts and reading, math, science, social studies, and fine arts.
   b. At the secondary level, the teacher demonstrates knowledge of the subject area or areas he or she is being certified to teach.
2. Major facts and assumptions that are central to the discipline
3. Debates and the processes of inquiry that are central to the discipline
4. Integration of disciplinary knowledge with other subject areas
5. Connections between knowledge of the subject area and real life situations at the level of the students being taught

**Standard 8:** The teacher demonstrates current professional knowledge sufficient to effectively design and plan instruction, implement and manage instruction, create and maintain an appropriate learning environment, and assess student learning.

The professional knowledge assessment shall measure the extent to which the teacher has knowledge of:
1. A variety of methods for teaching language arts and reading, math, science, social studies, and fine arts at the elementary level or a variety of methods for teaching reading and the subject area or areas in which the teacher is seeking certification at the secondary level
2. Interdisciplinary learning experiences that integrate knowledge, skills, and methods of inquiry from several subject areas
3. Principles and techniques associated with various instructional strategies
4. Learning theories, subject matter, curriculum development, and student development and how to use this knowledge in planning instruction to meet curriculum goals
5. Methods for recognizing and accommodating exceptional children
6. Influences of individual development, experiences, talents, prior learning, language, culture, gender, family, and community on student learning
7. Principles of human motivation and behavior and their implications for managing the classroom and organizing individual and group work
8. Effective evaluation of curriculum materials and resources for accuracy, comprehensiveness, and usefulness for representing particular ideas and concepts
9. The characteristics, uses, advantages, and limitations of different types of assessments for evaluating how students learn, determining what they know and are able to do, and identifying what experiences will support their further growth and development
10. Measurement theory, interpretation of test results, and assessment-related issues, such as validity, reliability, bias, and scoring
11. Services and resources to meet the needs of exceptional children and how to access the services and resources
12. Schools as organizations within the larger community context and the operations of the relevant aspects of the educational system
13. Laws and ethics related to student, parent, and teacher rights and responsibilities

**Standard 9:** In collaboration with other professionals and parents, the special education teacher participates in the design, implementation, and
assessment of individualized education programs
The performance assessment shall measure the extent to which the special education teacher:
1. Demonstrates knowledge of disabilities and their educational implications
2. Demonstrates knowledge of state and federal special education laws, rules, and regulations
3. Demonstrates knowledge of and the ability to use a variety of assistive devices that support student learning
4. Applies specialized diagnostic and assessment procedures to assist in determining special education eligibility for all areas of suspected disability
5. Assists in the design and implementation of individualized education programs through diagnostic teaching, instructional adaptations, and individual behavior management techniques

11. Justification for proposal. Please indicate how past assessments of student learning prompted proposed changes.
This program change was prompted with the Arizona State Department of Education requirement that all candidates graduating from an approved teacher preparation program in Arizona must be eligible for the SEI endorsement. The requirement effective for all candidates starting in the Fall, 2009 and thereafter.

12. If this academic plan/subplan will require additional faculty, space, or equipment, how will these requirements be satisfied?
No additional faculty will be required. The course teaching will be assumed by existing teaching faculty in the bilingual/multicultural education program area.

13. Will this academic plan/subplan affect other majors, liberal studies course offerings, plans/subplans, curricula, or enrollment at NAU?
If so, attach supporting documentation from the affected departments/units and college dean.
Yes. See attached letters of support

14. Will present library holdings support this academic plan/subplan?
Yes.

Dr. Lawrence D. Gallagher
Associate Professor
Chair, Department of Educational Specialties
College of Education
Northern Arizona University
Box 5774
Flagstaff, AZ 86011

On behalf of the Department of Educational Specialties, I write this letter in support of the program change proposals to incorporate the new BME 300 and 500 level courses into all approved teacher education programs of study. These introductory Structured English Immersion courses are designed to help all of the secondary, elementary, and early childhood education, and special education programs at Northern Arizona University meet the additional SEI (Structured English Immersion) requirements as set out by the Arizona Department of Education.

We appreciate the responsiveness of the BME program to meet these needs through the courses named above.

Sincerely,

**Standard 5: The teacher collaborates with colleagues, parents, the community and other agencies to design, implement, and support learning programs that develop students’ abilities to meet Arizona’s academic standards and transition from school to work or post-secondary education.**

The performance assessment shall measure the extent to which the teacher:

1. Works with parents to enhance student learning at home and school
2. Collaborates with other professionals and agencies to improve the overall learning environment for students
3. Accesses community resources and services to foster student learning
4. Demonstrates productive leadership and team membership skills that facilitate the development of mutually beneficial goals
5. Collaborates with colleagues to achieve school and district goals

**Standard 6: The teacher reviews and evaluates his or her overall performance and implements a professional development plan.**

The performance assessment shall measure the extent to which the teacher:

1. Reviews his or her practices and evaluates the influences of his or her practices on student growth and learning
2. Designs and continually adapts a professional development plan for improving instruction and student learning
3. Engages in activities that implement the professional development plan

Revised 09/07
4. Uses employer’s documentation of his or her performance to develop a professional development plan.
5. Pursues professional activities to support development as a learner and a teacher.

**Standard 7:** The teacher has general academic knowledge as demonstrated by the attainment of a bachelor’s degree. The teacher also has specific academic knowledge in his or her subject area or areas sufficient to develop student knowledge and performance to meet Arizona academic standards.

The subject knowledge assessment shall measure the extent to which the teacher has knowledge of:

1. Skills and concepts related to the subject area.
   a. At the elementary level, the teacher demonstrates knowledge of language arts and reading, math, science, social studies, and fine arts.
   b. At the secondary level, the teacher demonstrates knowledge of the subject area or areas he or she is being certified to teach.
2. Major facts and assumptions that are central to the discipline.
3. Debates and the processes of inquiry that are central to the discipline.
4. Integration of disciplinary knowledge with other subject areas.
5. Connections between knowledge of the subject area and real life situations at the level of the students being taught.

**Standard 8:** The teacher demonstrates current professional knowledge sufficient to effectively design and plan instruction, implement and manage instruction, create and maintain an appropriate learning environment, and assess student learning.

The professional knowledge assessment shall measure the extent to which the teacher has knowledge of:

1. A variety of methods for teaching language arts and reading, math, science, social studies, and fine arts at the elementary level or a variety of methods for teaching reading and the subject area or areas in which the teacher is seeking certification at the secondary level.
2. Interdisciplinary learning experiences that integrate knowledge, skills, and methods of inquiry from several subject areas.
3. Principles and techniques associated with various instructional strategies.
4. Learning theories, subject matter, curriculum development, and student development and how to use this knowledge in planning instruction to meet curriculum goals.
6. Influences of individual development, experiences, talents, prior learning, language, culture, gender, family, and community on student learning.
7. Principles of human motivation and behavior and their implications for managing the classroom and organizing individual and group work.
8. Effective evaluation of curriculum materials and resources for accuracy, comprehensiveness, and usefulness for representing particular ideas and concepts.
9. The characteristics, uses, advantages, and limitations of different types of assessments for evaluating how students learn, determining what they know and are able to do, and identifying what experiences will support their further growth and development.
10. Measurement theory, interpretation of test results, and assessment-related issues, such as validity, reliability, bias, and scoring.
11. Services and resources to meet the needs of exceptional children and how to access the services and resources.
12. Schools as organizations within the larger community context and the operations of the relevant aspects of the educational system.
13. Laws and ethics related to student, parent, and teacher rights and responsibilities.

11. Justification for proposal. Please indicate how past assessments of student learning prompted proposed changes.
This program change was prompted with the Arizona State Department of Education requirement that all candidates graduating from an approved teacher preparation program in Arizona must be eligible for the full Structured English Immersion (SEI) endorsement on graduation from the program. The requirement is effective for all candidates starting in Fall, 2009 and thereafter. This program change form includes the required coursework for the full SEI endorsement in the program of study.

12. If this academic plan/subplan will require additional faculty, space, or equipment, how will these requirements be satisfied?
No additional faculty, space, or equipment will be needed to meet this requirement. Existing faculty members from the bilingual/multicultural education program area will instruct the course.

13. Will this academic plan/subplan affect other majors, liberal studies course offerings, plans/subplans, curricula, or enrollment at NAU?
If so, attach supporting documentation from the affected departments/units and college dean.
The additional course required for the SEI endorsement (BME 300) will be taught by faculty members in the bilingual/multicultural education area. This will affect faculty course assignments in this area. (See attached letter for Dr. Gallagher, Chair, Department of Educational Specialties).

14. Will present library holdings support this academic plan/subplan?
Yes.

Associate Professor  
Chair, Department of Educational Specialties 
College of Education  
Northern Arizona University  
Box 5774  
Flagstaff, AZ 86011

On behalf of the Department of Educational Specialties, I write this letter in support of the program change proposals to incorporate the new BME 300 and 500 level courses into all approved teacher education programs of study. These introductory Structured English Immersion courses are designed to help all of the secondary, elementary, and early childhood education, and special education programs at Northern Arizona University meet the additional SEI (Structured English Immersion) requirements as set out by the Arizona Department of Education.

We appreciate the responsiveness of the BME program to meet these needs through the courses named above.

Sincerely,

units of the courses you take for your degree must be upper-division courses (those numbered 300 and above).

You should also be aware that you must have a grade point average of at least 2.5 in all of your NAU coursework in order to graduate. This requirement applies to all B.S.Ed. majors at NAU.

Finally, please note that you may be able to use some courses to meet more than one requirement; however, you must still meet the total of at least 120 units to graduate. Contact your advisor for details.

Also be aware that, for the B.S.Ed. degree, you must have the following:
- a grade of at least B for the English foundation requirement (ENG 105 or equivalent)
- (If you don’t receive a 3.0, you may complete an additional writing course, at the 200 level or above, with at least a B, to meet this requirement.)
- a grade of at least C for the mathematics foundation requirement (generally MAT 110, 114, 125, or 155)

candidates in the Early Childhood Education program are required to demonstrate content knowledge, pedagogical knowledge and skills, and professional knowledge to be eligible to enter student teaching or internship placements. Content, pedagogical, and professional knowledge or skills are demonstrated through candidate performance on key assessments embedded in the ECI 305, ECI 309/310, ECI 312, ECI 313, ECI 314, ECI 316, ECI 490C, ECI 492, EPS 324, and BME 331W classes.

MAJOR REQUIREMENTS
You must take the following 68 units:
- MAT 150 and MAT 155 (6 units)
- EDF 200 (3 units)
- BME 300 and 331W (6 units)
- EPS 324 (3 units)
- ESE 380, 436, and 456 (9 units)
- ECI 305, 309, 310, 312, 313, 314, 315, and 316 (26 units)
- ECI 308 (Practicum I, Literacy) (1 unit)
- ECI 308 (Practicum II, Infant-Toddler) (1 unit)
- ESE 308 (Practicum III, Early Childhood Special Education) (1 unit)

Revised 09/07
You must take the following 62 units:
- MAT 150 (3 units)
- EDF 200 (3 units)
- BME 331W, which meets NAU’s junior writing requirement (3 units)
- EPS 324 (3 units)
- ESE 380, 436, and 456 (9 units)
- ECI 305, 309, 310, 312, 313, 314, 315, and 316 (26 units)
- ECI 308 (Practicum I, Literacy) (1 unit)
- ECI 308 (Practicum II, Infant-Toddler) (1 unit)
- ECI 308 (Practicum III, Early Childhood Special Education) (1 unit)
- ECI490C, which meets NAU’s senior capstone requirement (6 units) K-3 setting
- ECI 492, which meets early childhood teaching licensing requirements (6 units) birth-pre-K setting

If you plan to apply for Arizona early childhood certification, you will have to take additional coursework. See the Early Childhood Certification heading in this section, or contact your department for details.

CONTENT EMPHASIS
You must complete an 18-unit specialty known as a content emphasis. You work with your education advisor in selecting a content emphasis and determining what requirements apply.

See the B.S.Ed. in elementary education for a list of the content emphases offered through the various academic departments at NAU. Then see the appropriate section of this catalog or contact the appropriate department for specific information about each emphasis.

GENERAL ELECTIVES
Additional coursework is required if, after you have met the previously described requirements, you have not yet completed a total of 120 units of credit.

You may take these remaining courses from any academic areas, using these courses to pursue your specific interests and goals. We encourage you to consult with your advisor to select the courses that will be most advantageous to you. (Please note that you may also use prerequisites or transfer credits as electives if they weren’t used to meet major, minor, or liberal studies requirements.)

Please note that you may take as an elective POS 220 (or POS 110 and 241), which satisfies the state and federal constitution requirement for Arizona certification, or you may meet the

11. Justification for proposal. Please indicate how past assessments of student learning prompted proposed changes.
This program change was prompted with the Arizona State Department of Education requirement that
all candidates graduating from an approved teacher preparation program in Arizona must be eligible for
the full Structured English Immersion (SEI) endorsement on graduation from the program. The
requirement is effective for all candidates starting in Fall, 2009 and thereafter. This program change
form includes the required coursework for the full SEI endorsement in the program of study.

12. If this academic plan/subplan will require additional faculty, space, or equipment, how will these
requirements
be satisfied?
No additional faculty are required. The course teaching will be assumed by existing teaching faculty in
the bilingual/multicultural education program area.

13. Will this academic plan/subplan affect other majors, liberal studies course offerings, plans/subplans,
curricula, or enrollment at NAU?
If so, attach supporting documentation from the affected departments/units and college dean.
The additional course required for the SEI endorsement (BME 300) will be taught by faculty
members in the bilingual/multicultural education area. This will affect faculty course assignments in
this area. (see attached letter for Dr. Gallagher, Chair, Department of Educational Specialties).

14. Will present library holdings support this academic plan/subplan?
Yes.

Dr. Lawrence D. Gallagher
Associate Professor
Chair, Department of Educational Specialties
College of Education
Northern Arizona University
Box 5774
Flagstaff, AZ 86011

On behalf of the Department of Educational Specialties, I write this letter in support of the program change proposals to incorporate the new BME 300 and 500 level courses into all approved teacher education programs of study. These introductory Structured English Immersion courses are designed to help all of the secondary, elementary, and early childhood education, and special education programs at Northern Arizona University meet the additional SEI (Structured English Immersion) requirements as set out by the Arizona Department of Education.

We appreciate the responsiveness of the BME program to meet these needs through the courses named above.

Sincerely,

Lawrence D. Gallagher, Ed.D.

To teach in grades 7 through 12, you must have a teaching major and a teaching minor or an extended teaching major in another department. Refer to the academic area in which you plan to major (for example, chemistry or English) for information about specific requirements for your major and/or minor, such as special methods courses or other requirements. In addition, you must be admitted to the College of Education’s teacher-education plan.

In addition, you must take the following 31 units in one of two plan options—a traditional two-term plan that offers flexible scheduling or the one-term integrated secondary teacher education plan (I-STEP):
- EDF 200 (3 units)
- BME 437 (3 units)
- ECI 308, 322, 450, and 465 (10 units)
- EPS 325 (3 units)
- in your senior year, ECI 495C, which meets NAU’s senior capstone requirement (12 units)

You may also take POS 220 (or POS 110 and 241) to satisfy Arizona certification requirements for the federal and Arizona constitution. You may meet this requirement by demonstrating proficiency on a special exam.

teaching reading and the subject area or areas in which the teacher is seeking
certification at the secondary level
2. Interdisciplinary learning experiences that integrate knowledge, skills, and
methods of inquiry from several subject areas
3. Principles and techniques associated with various instructional strategies
4. Learning theories, subject matter, curriculum development, and student
development and how to use this knowledge in planning instruction to meet
curriculum goals
5. Methods for recognizing and accommodating exceptional children
6. Influences of individual development, experiences, talents, prior learning,
language, culture, gender, family, and community on student learning
7. Principles of human motivation and behavior and their implications for managing
the classroom and organizing individual and group work
8. Effective evaluation of curriculum materials and resources for accuracy,
comprehensiveness, and usefulness for representing particular ideas and
concepts
9. The characteristics, uses, advantages, and limitations of different types of
assessments for evaluating how students learn, determining what they know and
are able to do, and identifying what experiences will support their further growth
and development
10. Measurement theory, interpretation of test results, and assessment-related
issues, such as validity, reliability, bias, and scoring
11. Services and resources to meet the needs of exceptional children and how to
access the services and resources
12. Schools as organizations within the larger community context and the operations
of the relevant aspects of the educational system
13. Laws and ethics related to student, parent, and teacher rights and responsibilities

11. Justification for proposal. Please indicate how past assessments of student learning prompted proposed
changes.

This program change was prompted with the Arizona State Department of Education
requirement that all candidates graduating from an approved teacher preparation program in
Arizona must be eligible for the full Structured English Immersion (SEI) endorsement on
graduation from the program. The requirement is effective for all candidates starting in Fall,
2009 and thereafter. This program change form includes the required coursework for the full
SEI endorsement in the program of study.

12. If this academic plan/subplan will require additional faculty, space, or equipment, how will these
requirements be satisfied?

No additional faculty, space, or equipment will be needed to meet this requirement. Existing
faculty members from the bilingual/multicultural education program area will instruct the
course.

13. Will this academic plan/subplan affect other majors, liberal studies course offerings, plans/subplans,
curricula, or enrollment at NAU?

If so, attach supporting documentation from the affected departments/units and college dean.
The additional course required for the SEI endorsement (BME 500) will be taught by faculty
members in the bilingual/multicultural education area. This will affect faculty course
assignments in this area. (see attached letter for Dr. Gallagher, Chair, Department of
Educational Specialties).

14. Will present library holdings support this academic plan/subplan?  
Yes.

On behalf of the Department of Educational Specialties, I write this letter in support of the program change proposals to incorporate the new BME 300 and 500 level courses into all approved teacher education programs of study. These introductory Structured English Immersion courses are designed to help all of the secondary, elementary, and early childhood education, and special education programs at Northern Arizona University meet the additional SEI (Structured English Immersion) requirements as set out by the Arizona Department of Education.

We appreciate the responsiveness of the BME program to meet these needs through the courses named above.

Sincerely,

Language Proficiency Proposed Policy

BACKGROUND
Current NAU students who graduate from a secondary school whose language of instruction is not English, must still meet the four-semester language proficiency for a Bachelor of Arts degree. The CLEP exams are not available to them to take for credit since CLEP policy forbids this. Language placement exams through Modern Languages do not result in a proficiency assessment, only a placement assessment.
Most students in this situation are international students. The easiest way for them to complete the proficiency requirement is to take courses in their own, native language; i.e. Chinese, German, Spanish, etc. By doing this they take up space needed for other students in these language courses. In addition, they intimidate the true beginning students. Because of these two issues, Modern Languages will start a policy next fall that forbids native speakers of language from taking the four introductory courses (101 through 202).
Because the intent of the Bachelor of Arts degree is to require a limited proficiency in a second language and the fact that these students already have that proficiency, the policy proposed below is submitted for review and action.

Proposed Policy
Students who have graduated from a secondary school whose language of instruction is not English are considered to have met the four-semester (or less) language proficiency requirement for any Bachelor’s degree at NAU. No credits are or will be assigned for that experience.

Some degree programs may require language proficiency beyond the fourth semester. For these programs the specific language proficiency required for the degree must be met.
