

The Virgil Masayesva Native American Environmental Education Scholarship Fund

The Virgil Masayesva Native American Environmental Education Scholarship Fund was established in honor of a co-founder of the Institute for Tribal Environmental Professionals.

Awards will be for Spring 2022. There will be at least one award of \$2,000, plus additional awards as funding allows.

Scholarship Criteria:

- Students must be a member of a federally recognized tribe.
- Students must be a full-time student attending the Northern Arizona University Flagstaff Mountain Campus.
- Students must be majoring in environmental engineering, environmental sciences or environmental studies. Related fields such as chemistry, biology, and others are encouraged to apply, if the student is strongly committed to environmental protection.
- Students must have a cumulative GPA of a 2.5 or higher.
- Students must have demonstrated financial need as determined by the NAU Financial Aid Office.
- Students must be a sophomore, junior, senior, or graduate student at the time of the award.
- Students must have a strong interest in helping American Indian tribes address environmental protection of their resources and land.

How to Apply (Submit the following to mansel.nelson@nau.edu):

- Certificate of Indian Blood (CIB)
- NAU unofficial transcripts.
- Two recommendations (see attached form)
- Resume
- One page essay explaining your commitment to environmental protection of tribal natural resources.
