

# Climate data & information survey

## Arctic Rivers Project - Climate Data Survey

Thank you for participating in this survey! This survey is being administered by the University of Colorado, Boulder and the United States Geological Survey as part of the Arctic Rivers Project. We estimate that the survey will only take 10 minutes to complete. To move through the survey, click on the "next" and "back" buttons at the bottom of the survey. Do not use browser buttons to move through the survey. If you have any questions about this survey, please contact Nicole Herman-Mercer at 303-236-5031 or [nhmercer@usgs.gov](mailto:nhmercer@usgs.gov)

- Will help the project team make key decisions about the kind of climate model to produce
- Is intended to be taken by groups responsible for planning or assisting communities with planning for climate change adaptation
  - Tribal & Traditional Councils
  - First Nation Governments
  - City councils
  - Indigenous organizations
- Will be online, but paper copies can be requested
