

<< SPONSORSHIP >> *Packet*

Greetings Environmental & Cultural Resource Protector!

On behalf of the 2025 National Tribal Forum on Air Quality Planning Committee, we invite you to share your commitment to support Indian Country through your generous sponsorship of the 25th Annual NTFAQ Conference, at the Harrah's Resort Southern California in Vallery Center, California on May 19th-22nd, 2025.

Our theme this year, *"Healthy Air, Healthy Communities"* will focus on local and national efforts to advance air quality protection, climate change awareness, and environmental action in Tribal communities. Our conference will provide strategies, subject matter experts, and resources to Tribes and partner organizations looking to advance air quality and climate change efforts in Indian Country. Tribal representatives, youth, elders, Tribal leaders, federal partners, and private & public partners are invited to share their experiences, stories, and efforts to advance tribal sovereignty and environmental protection.

Our conference committee would not be able to continue this important work without financial support from allies and supporters like yourself. Attached you will find a **Sponsorship Packet** for your consideration that details each level of sponsorship.

Please know that all donations, big or small, help us to sustain this important work. For more information, please visit our webpage at: https://www7.nau.edu/itep/main/Conferences/confr_ntf

Do not hesitate to contact us!

Sincerely,

Mehrdad Khatibi, Co-Director

Syndi Smallwood, Chairwoman

James Parsons, Chairman
