- Introductions by all those on the call.

Updates from the Office of Superfund Remediation and Technology Innovation (OSRTI)

- Proposed EPA Superfund Pre-CERCLA Screening Guidance Revisions: Upcoming comment period and tribal consultation – Randy Hippen, EPA Office of Superfund Remediation and Technology Innovation
- Proposed EPA Superfund Hazard Ranking System regulatory change to include vapor intrusion: Upcoming public comment period and tribal consultation – Terry Jeng, EPA Office of Superfund Remediation and Technology Innovation.

Presentation by Dr. Barbara Harper

- Dr. Harper has worked with many tribes, and her research interests include toxicology, Tribal exposure scenarios and health risk evaluation, environmental regulations and Superfund cleanups, Natural Resource Damage Assessments, Native diets, and many other related areas. She will be discussing her work assisting tribes and developing risk assessments.
- **If you have specific issues you would like Dr. Harper to address, please email them to Todd Barnell at todd.barnell@nau.edu by Tuesday, November 10.**
